

We stayed in a hotel near Hyde Park. I think it's the tallest hotel in London. We are on the fifteenth floor, so we could see lots of famous places, like Buckingham Palace and the Houses of Parliament. We couldn't see the Tower of London or Tower Bridge, because they were too far away, but we saw them when we went on a boat trip along the River Thames. I think the best part of our trip was a visit to the Dominion Theatre to see We Will Rock You, but I also enjoyed our visit to the British Museum to see the mummies from Egypt.
